**2016 Demo SA Sport Equipment Sale**

## Demo Equipment

Gymnastics BC is selling its SA Sport demo equipment, most of which has been used for 7-16 events over the past 2-years.

Equipment sales are exclusive to Gymnastics BC Full Member Clubs until April 30, 2016. All GBC Full Member Clubs are subject to the SA Sport list price **minus** 5%. General public sales will be available beginning May 1, 2016 at the SA Sport list price **plus** 5%.

There will be no added freight costs from SA Sport in Ontario (typically an additional estimated 30% of the purchase price). However, shipping from the Gymnastics BC storage location to your gym is not included in the price and is the responsibility of the purchaser. Arrangements to pick-up equipment must be made with Marc Crippen at 604-306-3455.

Full payment (by cheque) will be required one week before the scheduled pick-up, no exceptions.

## New Equipment

Pricing for new equipment will be provided at the time of ordering. No additional freight from SA Sport in Ontario will be added to your order. The equipment will arrive with GBC's new equipment order in late 2016 or early 2017, at which time it will be available for pick-up. If you prefer to receive your equipment earlier, you will be invoiced for all freight costs from SA Sport in Ontario. Contact Marc Crippen 604-306-3455 (or email [mcrippen@gymbc.org](mailto:mcrippen@gymbc.org)) for a quote.

In order to receive **free freight**, all orders for new equipment must be received by September 12, 2016. New equipment orders may be made after September 12, however freight charges will apply.

**Full payment** is required before new equipment orders are placed with SA Sport.

If you prefer to purchase new or demo equipment by credit card, an additional 3.5% will be added to the invoice for credit card processing fees.

To order equipment, please fill out the attached form and return to Gymnastics BC by fax 604-333-3499, or email [info@gymbc.org](mailto:info@gymbc.org)
