## Summary

### Topic - Gymnaestrada

- Transition time between workshops should be long enough to allow participants to move in between stations.
- Communication to coaches could be better
- Longer day for kids on Saturday (workshop day) if possible
- Excellent venue in 2013.
- Pre-order admission tickets were stressful
- If possible, hold a coaches meeting on the Friday before the weekend begins.
- Having the group pic on t-shirt would be cool.
- Look at the possibility of a yoga/acro workshop
- If doing coloured tee's, have kids wear them on Saturday – will make it easy for them to be identified (or do one colour per workshop group).
- If in need of extra volunteers, ask each club to provide one volunteer
- It was requested to have information/bulletins sent out earlier if possible.
- It was also requested to look at \$20 coaches fee
- All other fees (registration, admission) were felt to be manageable

### Other program notes:

- It was requested that Shawna Peters' acro manual be put up on GBC website if possible.
- Ideas were thrown around for next coaches workshop, including focusing on 2 apparatus for each workshop.
