As indicated in the GBC Policies and Procedures Manual, a club is not allowed to change the category of an athlete after March 1, 2017. It is the club's responsibility to ensure that all athletes are registered in the appropriate category by that date. ## PARKING

Please be advised that there are a limited number of parking stalls at the Port Coquitlam Recreation Centre; however, street parking is available within close proximity to the venue.

Due to construction, what is now the main entrance of the Port Coquitlam Recreation Complex will be closed. There will be two new entrances: one on the west side of the building near the "blue" Artistic arena (approximately 150 spaces) and one on the east side of the building near the "green" TG arena (approximately 60 spaces).

These two parking lots will have one-way traffic only. There will be wheelchair-accessible parking on the east side; accessible parking on the west side is to be confirmed by the venue.

**NOTE:** There will be signs up in these parking lots that say "3hr parking," but the venue will NOT be ticketing that weekend (Friday included), so the 3 hour limit will not apply. There is also a possibility of another large lot (likely gravel), to extend the west parking area to twice the size, to be confirmed by the venue.

Street Parking:

- There is street parking on Kelly Avenue (south of the facility), as well as on the west side of Kingsway (east of the facility).
- Directly kiddy-corner (to the northeast) of the facility is the West Coast Express parking lot, which is quite large. Anyone can park there, but on Friday you will have to pay using the transit parking machines, just as the general public does. On evenings and weekends, parking is free there.

ACCREDITATION

Athletes will be issued accreditation tags, coaches and judges will be issued accreditation lanyards at the 2017 Artistic Gymnastics BC Championships. All accreditation will be available in the lobby at the Accreditations table. Accreditation will be organized by club team. Accreditation bracelets MUST be worn in order to access the floor.

WAITING AREA

Out of respect for those competing and the spectators, all competitors and coaches are required to stay in the designated waiting area until the last event is complete. The only athletes and coaches allowed outside of the designated waiting areas are the athletes next up on the apparatus and the athletes currently competing.

All bags, clothes and other miscellaneous items must be kept in the waiting areas at all times or they will be removed from the competition floor.

Coaches are asked to explain the waiting system to their athletes and to assist with keeping the competition area free of athletes and debris in order to showcase all of the athletes.

MUSIC

A CD player will be available. Please ensure that each athlete's music is on its own CD (only one CD per athlete). CDs with more than one piece of music will not be accepted.

iPod format is also accepted. If a club chooses to use iPod format, then ALL music from that club must be in a single iPod, with the music identified by the athlete's name. This means that clubs may not have some music on the iPod and some music on CDs.

MEDICAL

There will be medical on-site provided by Be Prepared. As well, there will be a Physiotherapist for the athletes on-site provided by Performance Integrated Health. If your athlete needs to be taped, please bring your own tape.

COACH + JUDGE SOCIAL	The coach and judge social will take place on Thursday, April 6, following the WAG Coaches Technical meeting in the hospitality room at the venue. As well, on Saturday, April 8, following the MAG Technical Assembly. There will be appetizers, snack and mock tails served.
PHOTOGRAPHY	A photographer will be on-site throughout the event to capture the athlete photos for keepsakes. Participants will have the opportunity to purchase photos on-site through Media North Digital.
ATTRACTIONS	For information on attractions, restaurants, activities, and family fun, please visit the City of Port Coquitlam website, <a href="http://www.portcoquitlam.ca/Discover_Port_Coquitlam.htm">http://www.portcoquitlam.ca/Discover_Port_Coquitlam.htm</a> .

Warm up time and Equipment specifications are available in the BC JO Manual. The BC JO Manual is available on the GBC Website at the link below.

<https://www.gymbc.org/files/Programs/WAG/JO/BC%20Charts%202016-17%20Final%20Sept.pdf>

WAG athletes JO 9 (2004-2006) and JO 10 must use the GCG equipment specs as this is a trial for Canadian Championships. Any violation will be penalized. No warning will be given.

### General Information:

- There is no march in. All athletes (side A and B) must line up in front of the judges table before the 1st rotation. Participating clubs will be officially introduced and judges will give instructions.
- Athletes do not need to line up in front of judges for other rotations.
- Be ready to rotate as soon as your group is done competing.
- Coaches will determine the competition order. Athletes' cards will need to be picked up from the secretary and submitted by the coach in the correct order to the secretary at the next apparatus. If there is more than one club in a rotation, coaches must discuss and agree on the most efficient way to warm up and compete before submitting their cards.
- Competition order for Sessions 9 and 10 (trial to Canadian Championships) will be done by draw.
- Instruct your athletes to listen to the name being called by the judges to make sure every athlete gets the correct score. Coaches should check the cards after each rotation to make sure there are no mistakes.
- At the end of the competition, coaches will have 5 minutes to review the results once they become available. If they find a mistake, they should report it to the master scorer or competition head judge immediately. Once the 5 minutes have elapsed, results will be deemed correct.

### Single panel – 8 rotations:

- Warm up must be completed when the judges arrive.
- On V, UB, BB: Group warm up only.
- On FX: as soon as they are done on BB, athletes should go to floor and start warming up in between athletes who are competing. Judges will ring a bell to clear the floor.

### Single panel / 4 rotations:

- On V, UB, BB and FX: All warm up will be done in groups. On BB, 5 seconds will be allowed between gymnasts.
