[CLICK HERE](#) TO EXPLORE RESOURCES**

Recognizing the contributions and historic importance of Indigenous peoples must be clearly and overtly connected to our collective commitment to understand the truth and make reconciliation real in our communities.

GymBC recognizes today's event is being hosted on the the traditional, ancestral and unceded homelands of the Coast Salish peoples, including hən q əmín əm and Sḵwx wú7mesh speaking peoples.

These nations are recognized as the traditional stewards and protectors of this land and its resources. We are grateful to have the opportunity to gather and collaborate on these lands.
